OFFICEMAX INK & TONER RECYCLING PROGRAM

Yale Procurement, Yale Sustainability, & OfficeMax are excited to announce a new program for recycling all ink and toner cartridges on campus!

We encourage you to put all of your used laser or inkjet toner cartridges into these boxes, whether or not they were purchased from OfficeMax. We will accept any brand!

To receive a box for your office, or if a box is full and needs to be picked up, please email: omxcollect@corerecycling.com.

Lead time for delivery and pickup is 4-5 days, and various sizes are available to accommodate different quantities. Boxes will be delivered and picked up by your OfficeMax driver.
